

Dear Michael and Cate

Thank you for performing  
'Noises' at . I really liked  
it, it was funny, crazy and cool.  
I had lots of fun. I liked lots  
of bits. One of them was when  
you told us that story about you  
when you were at school and you  
thought a guitar was a xylophone.  
I also liked when we played a  
trick on Michael.
