Subject: THANK YOU NOISES

Hi guys,

Just wanted to say a HUGE THANK YOU for the performance you put on at our school!!

You both did a great job and the kids had so much fun, as did I.

I think I was laughing just as much as the kids were! Other teachers commented that they really enjoyed it too and that you did a wonderful job!

It was great to see the kids getting involved and you guys ensuring lots of audience interaction.

The year 3/4 class teacher said her kids told her it was the BEST performance they'd ever seen, and she totally agreed with them. She said it was lots of FUN!

As I said to you this morning, one of the Junior Primary boys got so excited he fell off his chair a couple of times. He was screaming out responses and laughing hysterically- he got so worked up, it was very cute to watch!

Well done again and thank you for coming to Stirling North PS. We hope to see you again in the future!

☺
